MEMORANDUM FOR: Acting Chief/Coordination and Review Staff  
Office of Legislative Counsel

FROM: James H. McDonald  
Director of Logistics

SUBJECT: Notification to Members of Congress of Agency  
Activities Within Their District

1. Per discussion between yourself and [redacted] of my staff, I am forwarding the attached listing of DDA properties within the United States. Per agreement, properties within the Metropolitan Washington Area have not been included in this listing. 25X1

2. For your convenience, we have listed properties alphabetically by state and also show the component responsible for the property, as complete an address as we have on file, and finally, the cover designation for each particular address.

3. It is most important that prior consultations with the appropriate office head take place prior to release of this information to individuals in Congress. This is particularly true for those components operating under some type of official cover status. If I or members of my staff could be of further assistance, please contact [redacted] 25X1
